Games Next Saturday. Richmond vs. Swansboro, at 2:30. Brownles vs. Barton Heights, at 4:30.

Two thousand base-ball fans shouted themselves hoarse at Broad Street Park yesterday afternoon, rooting for their favorite teams. The big crowd was quite evenly divided as regards favorites, and with their friends to cheer them on the four teams put up great ball,

The late game, between Richmond and Barton Heights, was the best exhibition seen in the park this season. It was a run for second place, and not until the eleventh inning was a decision reached. The game was won on a three bagger by Taylor, with nobody out, and a two bagger by Wille McEvoy. Taylor had previously made three singles, and his friends urged him on when he went up in the eleventh. He responded with a long hit to right center, and little Willie McEvoy brought him home in a minute.

Senf's Great Play.

The greatest play ever seen on the local diamond was that participated in by Senf. O'Hara and Dalton in the ninth inning, when three men were put out after Gruner had hit the ball out for after Gruner had hit the ball out for what looked a homer. Taylor was the first man up; he singled and was followed by McEvoy, who passed up on balls. Then Gruner pasted one away out in left. The crowd shouted, for it looked like a homer. But Senf ran back, gave a mighty leap, and grabbed the ball with his left hand. He quickly rassed it to O'Hara, who nalled Taylor, and followed up the game by throwing to Dalton, who caught McEvoy before he could return to the first bag. It was quick work, and Senf's fine catch made him the hero of the game. The official score follows: RICHMOND.
